Proletarians and oppressed peoples of the world, Unite!

ETERNAL HONOR AND GLORY TO COMRADE ERIKA!

Communist Party of Equator – Red Sun

December 31, 2023¹

Comrade Erika has given way to a new stage and form of existence in the best of orchards, there, where red hearts dwell, where by the hand of Nora, Edith Lagos, Sandra Lima, and... give an account of the firm trace that they have left us to emulate their lives.

There, in the best of the orchards, there are those who gave everything for the party and the revolution; but, above all, who taught us that without dedication and sacrifice it is impossible to conquer the heavens.

The Communist Party of Equator-Red Sun expresses its deepest solidarity to the proletariat of Austria at the loss of a historical comrade whose life was like that of those women who understood that happiness is to fight, that, outside of that, it is nothingness, the madness of nothingness; therefore, oblivion will be alien to her, and glory: eternal.

Comrade Erika; may the earth be kind to you.

ETERNAL HONOR AND GLORY TO COMRADE ERIKA!

**COMRADE ERIKA, LIVING IN THE HEARTS AND STRUGGLES OF
THE CLASS AND OF THE OPPRESSED PEOPLES OF THE WORLD!**

LONG LIVE MARXISM-LENINISM-MAOISM!

TO CONQUER THE RED SUN OF LIBERATION: COMMUNISM!
