## ETERNAL HONOR AND GLORY TO COMRADE TOM WATTS!

Communist Party of Equator – Red Sun

January 19, 2024<sup>1</sup>

On the sensitive death of comrade TOM WATTS, the Communist Party of Ecuador-Red Sun expresses its solidarity with the US proletariat, with the international proletariat, and the oppressed peoples of the world, in the face of such a heartfelt loss. We celebrate his life dedicated to the struggle of the international proletariat and, in particular, to the struggle of the Afro-American proletariat and people. Undoubtedly, comrade Tom will dwell in the best of orchards: the historical memory of the international proletariat and its unstoppable course to communism.
