

LONG LIVE THE 130TH BIRTHDAY OF CHAIRMAN MAO!

Communist Party of Equator – Red Sun

December 26, 2023¹

Note from RedLibrary: Originally attached to this statement was a video, which can be seen at <https://redlibrary.info/works/pce-sr/presidente-mao-130.mp4>.

December 26, 1893 Chairman Mao Tse-tung was born in China; and with him, a new lineage of communists committed to the great revolutionary wave of October, whose corollary will inevitably be the World Proletarian Revolution; always facing the golden communism.

Great helmsman, eagle of eagles, condor of condors; red sun of liberation, his life, tempered by the heat of the revolution, opened the way to conquer the heavens.

LONG LIVE CHAIRMAN MAO!

LONG LIVE MARXISM-LENINISM-MAOISM!

LONG LIVE MAOISM!
