Communication to the Peru People's Movement (Reorganization Committee)[1]

Communist Party of Peru

Published March 2017

We denounce that on Channel 7 TV Peru, channel of the reactionary State, they have broadcast about the sham trial against Chairman Gonzalo, our leader, our dear and respected Chairman, where he defends himself and asks for a doctor's attention for his health. We condemn this new hoax that the enemy plays with those of the revisionist and capitulationist Right Opportunist Line headed by the rats Miriam, Cox, Pantoja, Morote, etc. This channel will repeat the news again and surely they will broadcast it on the other channels, they defame Chairman Gonzalo and they defame the actions that the People's Liberation Army has unfolded in the capital and others that shook the old Peruvian State and the genocidal hyenas and mainly the Yankees. We call to continue the campaign for the defense of Chairman Gonzalo and his all-powerful Gonzalo Thought. And we call for speaking out for the Defense of the Life and Health of the greatest living Marxist-Leninist-Maoist on the face of the earth and it must be against wind and tide, developing the People's War, the Communist Party of Peru, and the masses rising up with arms in hand to overthrow the enemy and all organized to sink the mortally wounded beast, to concretize the General Reorganization of the Party in the country, and to be red soldiers of Gonzalo, giving their life today, tomorrow, and always for the COMMUNIST PARTY OF PERU AND THE REVOLUTION.

LONG LIVE CHAIRMAN GONZALO AND HIS ALL-POWERFUL THOUGHT!

HONOR AND GLORY TO COMRADE NORAH, HEROINE OF THE PARTY AND THE REVOLUTION!

LONG LIVE THE REORGANIZATION OF THE PARTY IN THE MIDST OF THE PEOPLE'S WAR!

YANKEES GO HOME! YANKEES OUT OF PERU AND LATIN AMERICA!

HONOR AND GLORY TO THE HEROIC PERUVIAN PEOPLE!
