The Party develops a hard fight to go on setting the course of the struggle in the bosom of the people, among workers, peasants, and intellectuals, as among state employees, in health, in the national teaching profession, and to make a leap in its struggle for demands and defending the interests of the beloved Peruvian people, that deep people, the poor of the poor for whom we stake our lives and persist in the ardent fight of the People's War, today in the General Reorganization of the Party. The class-conscious teachers must propel the restart of the National Strike this 2018. SO THAT THEY STRIKE A BLOW AT THE ENEMY AND RECONQUER THEIR RIGHTS TRAMPLED ON AND LOST THROUGH THE VILE REVISIONISM, TODAY OF THE TRAITORS AND RENEGADES OF THE REVISIONIST AND CAPITULATIONIST RIGHT OPPORTUNIST LINE and the LEFT OPPORTUNIST LINE, WHO DRESS THEMSELVES AS LEFT-WING, whose links and alliances with the rotten and servile old revisionists alone are of the left, where Chairman Gonzalo already UNMASKED THEM IN A Meeting of 1988–1989 of the First Congress of the Communist Party of Peru *On Revolution*, they seek to deny the democratic revolution, that was to deny conditions and to deny the road of protracted people's war, and he said that "now that the elections are coming, do the IDEAS of Capitulation jingle? From there they will come with denying conditions, uniting with United Left, laying down arms, etc., etc."[1]

Forceful and precise, Chairman Gonzalo crushed them before their ideas could spring out and only four years passed and they denied the conditions, laid down their arms, and are currently united with many old revisionists and traitors to the People's War. That is what they want to do in the teaching profession with the class-conscious line and where they go with wiles and new names in the popular struggle to divert them from the road and take them to elections and negotiating on the quiet, so as not to struggle but to keep riding and trafficking in the sacred interests of the masses as they do with the FUDDEP, Movadef, Fenatep, Fenasutep, Proletarian Ranks, First of May, etc. only fabrications and lies that even they themselves do not believe, who use the young people, new mass, and rotten capitulators of the People's War.

REVOLUTIONARY SALUTES, COMRADES, WOMEN COMPANIONS, AND COMBATANTS OF Europe and especially to those of LATIN America who take up and apply GONZALO THOUGHT WHICH IS PEOPLE'S WAR UNTIL COMMUNISM.

SUCCESSES TO ALL, LONG LIVE MARCH 8, INTERNATIONAL WOMEN'S DAY! HONOR AND GLORY TO COMRADE NORAH, THE GREATEST HEROINE OF THE PARTY AND THE REVOLUTION!
